	RAISES DOUBTS				NET
	Major	**Minor**	**Does not raise doubts**	**Not believable**	**RAISES DOUBTS**
• **[ABORTION]** Every year for the last 12 years, Colorado Republicans have tried to pass legislation that would not only have sent women who get an abortion to jail, even in the case of rape, incest, or when the life of the mother is at risk, but also would have banned in vitro fertilization and many common forms of birth control..	52%	12	17	19	64%
• **[ECON]** Even as everyday Coloradans struggle with rising costs, Republicans in the legislature continue to push for more tax cuts for millionaires while voting AGAINST tax cuts for working Coloradans and AGAINST a new tax cut to help working families deal with the high cost of childcare........................	49%	12	20	20	60%
• **[CHILD ABUSE]** Every single Republican in the Colorado State Senate voted to block a proposal to allow victims of child sexual abuse from more than six years ago to sue their abusers. • **[TRUMP CASE]** The Colorado Republican Party, Lauren Boebert, Dave Williams, and nearly every major Republican candidate for Congress in the state have continued to defend Donald Trump - and pledged to vote for him - even after he was convicted of 34 felonies by one jury of 12 regular citizens and found liable for rape by another..................................	47%	10	33	9	58%
• **[PRIDE]** To mark the beginning of Gay and Lesbian Pride Month, the Colorado Republican Party sent out a mass email calling gay people "godless groomers," calling for the burning of all gay pride flags, and using the headline "God Hates Flags" - echoing the anti-gay slur used on the picket signs of the infamous Westboro Baptist Church..................................	45%	11	19	25	56%
