Q28. Switching gears now to ask about the two parties... Which of the following statements do you find more concerning?

	Dem Message	
	MAGA	Rich
(GOP Statement) Colorado Democrats have become obsessed with race, divisive social issues like transgender rights, and giving out taxpayer-funded handouts. Under their leadership, crime and homelessness are soaring and schools are failing. And thanks to Colorado Democrats' out-of-control spending, we have a weak economic recovery, record inflation, and skyrocketing costs for housing, groceries, and gas.....	39%	37%
(Split A - Focus/MAGA) Colorado Republicans started the latest legislative session by voting to officially thank the January 6th rioters and praise conspiracy theorists who are still trying to overturn the last election. Now, Republicans are making a ban on abortion their top priority and pushing to overturn Colorado's common-sense gun safety laws. These MAGA Republicans have become so obsessed with pleasing Trump, criminalizing abortion, and protecting the gun lobby that that they are no longer focused on improving the economy for working families.	50	-
(Split B - Rich Get Richer) Colorado Republicans only care about the rich getting richer, even when it hurts the rest of us. Their only plan for the economy is to hand out even more tax breaks to the billionaire class and CEOs who are already making record profits, even as they vote against tax cuts for middle class families. And now, instead of cracking down on price gouging, Colorado Republicans are protecting the giant corporations and Big Oil CEOs who are taking advantage of COVID by jacking-up prices on working Coloradans.	-	48
